Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the North Walnut Township Storm Water Project in fiscal year 2024. The entity to receive funding for this project is Walnut Township, located at 11420 Millersport Road, Millersport, OH 43046. The funding for this project will be used for engineering and construction of storm water drainage improvements to the Lakeside area of Walnut Township. The project is an appropriate use of taxpayer funds because the project will reduce flooding and mitigating standing water, improving the lives of my constituents.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy Balderson
Member of Congress
